- 34.** We do not offer a Cash ISA, although the cash component within the Slater Stocks and Shares ISA permits you to hold money as cash when required.
- 35.** The cash we hold for you is money we have received from you or a third party for your benefit. This includes your Client Monies held pending investment, income received from your investments and the proceeds from selling your Account Investments before the money is distributed to you or reinvested. Cash held in your Account will be out of the market and so will not benefit from any market growth whilst not invested.
- 36.** Cash we hold for you in your Account is segregated from our own funds in accordance with the FCA's client money rules and guidance and will be deposited in a Client Money Account.
- 37.** In the event of a default by a bank or credit institution where your money is deposited in a Client Money Account you may have to bear any shortfall in the Client Money Account on a pro-rata basis based on the cash balance held in that Client Money Account.
- 38.** We reserve the right to return money to you, whether received by cheque, bank transfer or debit card to the source it originated, subject to normal banking clearance times, including any existing cash held in your Account. It is possible that the money returned to you could exceed the Allowance.
- 39.** We may be required by Applicable Law to return money in certain situations, including where we have not been provided with sufficient information by you within the timescales prescribed to allocate a payment to your Account.
- 40.** The ISA Manager does not give advice regarding Slater Fund(s), your Account or any instruction. The availability of Slater Fund(s) does not imply that it is suitable for you. If there is any doubt the ISA Holder should consult his or her Independent Financial Adviser.

41. Documents evidencing title to ISA Investments will be held by the ISA Manager or as the ISA Manager may direct.
42. The title to the ISA Investments will be registered in the name of the ISA Holder and the ISA Manager's Nominee.
43. At the written request of the Investor, and within the time stipulated by the Investor, an ISA, or part of an ISA with all rights and obligations of the parties to it, may be transferred to another ISA manager in accordance with the ISA Regulations. Slater also requires the delivery of written instruction by the future ISA manager.
44. Where an ISA is transferred either at the request of the Investor or because the previous ISA manager is no longer offering or able to offer ISAs, all the tax benefits are preserved.
45. The Investor may at any time, by written notice to the ISA Manager, terminate or make withdrawals from the ISA. On the instructions of the Investor and within the time stipulated by the Investor, all or part of the investments held in the ISA and proceeds arising from those investments shall be transferred or paid to the Investor. Shares will be sold at the price calculated on a date stipulated by the Investor or at the next Valuation Point as set out in the relevant Fund(s) Prospectus if the date stipulated by you has passed or no date is specified. However, this must take place within 30 calendar days of the ISA Manager receiving the withdrawal instructions.
46. The sale proceeds of the withdrawal instruction will be transferred to the Client Money Account when we have received them from the Trustee/Depositary. This will be done within four Business Days from the Valuation Point at which the Shares were sold. From that date it is money for payment and is held and protected in the Client Money Account, it cannot be used for any other purpose. The money will be retained in the Client Money Account until the ISA Manager is able to release the payment. No interest will be paid on these monies.
47. If the ISA is terminated or transferred, the ISA Manager shall make or cause to be made such payments, subject to any reasonable retentions or deductions which the ISA Manager may be entitled or bound to make for any purpose, including recovery of expenses properly incurred by the ISA Manager.
48. Following the appointed date to sell or transfer an ISA, a contract note will be sent to the ISA Holder or the new ISA manager no later than the Business Day following that on which the Shares were sold. Proceeds from the sale of the Shares will be remitted within four Business Days after the date on the contract note. If the ISA Manager has not previously been notified by an ISA Holder of a change of name or address, this may delay remittance of redemption proceeds. When the proceeds are received by the ISA Holder, these are no longer part of the ISA Account.
49. Purchasers of new ISAs may be entitled to cancellation rights under the Financial Conduct Authority's Conduct of Business Rules if they have received investment advice. Where applicable you will have the right to cancel your account within 14 days after receiving notice of your cancellation rights from the ISA Manager. If you exercise your right to cancel, any money paid to the ISA Manager will be repaid (subject to deduction of the amount, if any, by which the value of your ISA Investment has fallen).
50. It is important to note that if you cancel an ISA transfer you may lose the tax-exempt ISA status of your Investment.
51. Charges and expenses will be as those specified in the Prospectus of the Fund(s). Further explanation of Charges is available on the 'Our Charges' page of our website. Please refer to the most up to date Prospectus and Key Investor Information Document for the Slater Fund(s) which are available on the relevant Slater Fund(s) page of our Website: www.slaterinvestments.com.

Investors who have selected accumulation Shares will receive details of the income accumulation on the appropriate Distribution Date. There will be no charges added. Details of the Shares acquired and the cost of them will be provided on the usual half yearly statements issued, as at 5 April and 5 October each year.
- 53.** The ISA Manager shall be entitled, by notice in writing to the ISA Holder, to terminate an ISA if, in their absolute discretion, the ISA Manager considers it impracticable to continue that ISA or if the ISA Holder is in breach of any provision thereof. Any termination of an ISA by the ISA Manager shall not entitle the relevant ISA Holder to any compensation or damage under this clause. Termination of an ISA will be without prejudice to the completion of incomplete transactions undertaken as part of that ISA.
 - 54.** The ISA Manager will notify the ISA Holder if, by reason of any failure to satisfy the provisions of the ISA Regulations, an ISA has, or will, become void for tax purposes. In the event that the ISA Manager does not wish to continue to act in such capacity it will give reasonable notice (being not less than 30 days) to the Investor and to HMRC. In such circumstances, under the ISA Regulations, the Investor can transfer their ISA within 30 days to another ISA manager without the validity of the ISA being affected.
 - 55.** In certain circumstances, HMRC may instruct the ISA Manager to return part, or the whole of an invalid ISA. In these instances, the ISA Manager may deduct and return to HMRC sufficient proceeds to cover any tax liability. In these instances, the ISA Manager may also be required to transfer investments into a direct holding by the Investor in Shares in the same Fund(s).
 - 56.** The ISA Manager will write to HMRC to tell it, in circumstances where the Investors Investments do not cover any tax due.
 - 57.** Where the ISA Manager is told that the Investor has died, the Investor's ISA will automatically terminate in accordance with the HMRC Regulations and will be converted to a contract between us whereby the Investments held in the Investor's Slater Stocks and Shares ISA account are held on the same terms as set out in these Terms except that the tax benefits will not apply. Any ineligible income tax received after the date of death will be returned to HMRC.
 - 58.** Investments will continue to be held in Shares in the Fund(s) until proof of death and proof of entitlement has been received by the ISA Manager. The ISA Manager will require certified copies of the death certificate of the Investor and the grant of probate or letters of administration.

In these circumstances, the Investor's ISA will be treated as a "continuing account of the deceased investor" (**CADI**) and will continue to be exempt from tax until the earlier of: (a) the closure of the account; or (b) the completion of the administration of the investors estate; or (c) the third anniversary of the investors death. No further Payments can be made to the account and the account will continue to be managed in accordance with these Terms.
 - 60.** When the account is no longer a CADI but remains open, the Investor's ISA will automatically terminate in accordance with the HMRC Regulations and will be converted to a contract between us whereby the Investments held in the Investor's Slater Stocks and Shares ISA account are held on the same terms as set out in these Terms except that the tax benefits will not apply until the account is closed. Any ineligible income tax received after the account is no longer a CADI will be returned to HMRC.
 - 61.** Once the account is no longer a CADI but remains open, Income Shares will be

converted to Accumulation Shares. Income that has been paid but not cashed will be reinvested into the Investments. In order to close the account, the Investor's Investment can be either (a) transferred to the Investor's personal representatives or named beneficiaries (please note that the ISA Manager may require verification of identification in order to meet the requirements under the UK Anti-Money Laundering Regulations); or (b) sold and proceeds paid out in accordance with these Terms which are binding on an Investor's personal representatives.

- 62.** The ISA Manager will issue reports to the Investor twice yearly, as at 5 April and 5 October with details of the number and value of investments held within their ISA and the amounts of any distributions and tax reclaims deriving thereon during the preceding half year. The statements will not include any measure of the ISAs investment performance.
- 63.** The ISA Manager shall exercise due care and diligence in the management of all ISAs but, subject to the ISA Regulations and to Sections 71 and 150 of the Financial Services and Markets Act 2000, the ISA Manager shall not be liable to an Investor for any costs, claims, demands, losses of expenses suffered by or arising from any depreciation in the value of the ISAs or for acts or omissions of the ISA Manager or of any third party whether or not that third party is acting as agent of the ISA Manager, except in so far as the same arises as a result of negligence or wilful default.
- 64.** If the ISA Manager has to pay any amount to a third party e.g. HMRC, because of an Investor's ISA investment (for example, if an Investor has not provided the ISA Manager with correct information about themselves), the Investor must repay any such amount to the ISA Manager on demand.
- 65.** The ISA Manager will pay all subscription monies into a Client Money Account no later than the Business Day after they are received. This Client Money Account will be held with Bank of Scotland plc or such

other bank or authorised institution as Slater may nominate from time to time.

- 66.** There is no interest paid on the Client Money Account.
- 67.** Slater holds any Client Monies in a Client Money Account, separate from its own money. If Slater becomes insolvent all the money held in a Client Money Account will be paid to clients in accordance with the FCA Rules. If there is a shortfall in the money held in the Client Money Account, the Investor will suffer in any shortfall in the same proportion to their share of the money held in the Client Money Account. The Investor may be entitled to compensation under the Financial Services Compensation Scheme (FSCS).
- 68.** All unclaimed monies will be held in a Client Money Account and no interest will be paid. We will send you an annual statement which will show any cash balances that you hold in the Client Money Account.
- 69.** If, for whatever reason, payments made to you over £25 remain unclaimed, we will hold your money in a Client Money Account for a period of six years. During these six years we will make reasonable efforts to contact you. After six years we will make further efforts to contact you to let you know that we no longer intend to hold the money in a Client Money Account and intend to pay this money to a registered charity unless you let us know what you would like us to do with this money. If we do not receive a response from you after these efforts, we will write to you to confirm that as we did not receive a response from you we will no longer treat your money as client money.
- 70.** If a distribution made in relation to any income Shares remains unclaimed for a period of six years after it has become due, it will be forfeited and will revert to the relevant Slater Fund(s).
- 71.** The ISA Manager may delegate the performance of any of the duties under these Terms to another party. The ISA Manager will satisfy himself that any

person to whom he delegates any of his functions or responsibilities under these Terms is competent to carry out those functions and responsibilities. If the ISA Manager delegates any of its functions, it will be responsible to the Investors under these Terms.

72. The Investor will automatically receive a copy of the annual and half yearly reports and accounts of the Fund(s) and any other information issued to Shareholder in a Fund. All communications with investors will be in English. If you have agreed to receive notices and other documents in electronic format, the reports and accounts will be sent to you electronically.

74. Notices and instructions to the ISA Manager must be in English, in writing and signed by the Investor.
75. Notices and other documents to be given to the Investor will be posted to their last registered address for the Slater Stocks and Shares ISA and will be considered to be received by the Investor three days after posting. If you have agreed to receive notices in electronic format, this will be considered to have been received on the day of sending.
76. The ISA Manager may treat written instructions as valid where these seem to have been given by the Investor or on his/her behalf even if that is not the case because another person acted on their behalf, unless that other person is an employee of Slater.
77. The Investor must provide the ISA Manager with all information that the ISA Manager reasonable requests in respect of the Investor's Slater Stocks and Shares ISA and, in particular, they must immediately write and tell the ISA Manager about any change of tax status or other change in the Investor's circumstances, such as if they are no longer resident in the UK for some or most of the time.
78. The Investor should notify the ISA Manager of any changes of address or other necessary information such as bank details which were originally provided in the Application Form to enable us to keep in contact with you. If you do not keep us informed of any changes and we are unable to contact you, we may not be able to carry out your instructions, manage your account, and it could mean you ultimately lose contact with your money. The ISA Manager will not be responsible to the Investor or to any other person for any consequences that may arise from the Investor failing to update their instructions and information promptly.
79. If at any time, the Investor ceases to be a qualifying individual, under the ISA Regulations, they are not obliged to terminate the ISA and may retain the benefit of the ISA save that the Investor may not make any further contributions. The Investor shall immediately notify the ISA Manager in writing if they cease to meet the conditions to be a qualifying individual.
80. The ISA Manager, or anyone connected with the ISA Manager, may affect transactions where the ISA Manager or another client of the ISA Manager has an involvement which may involve a conflict with the ISA Manager's duty to the Investor or between the Investor and another client of the ISA Manager. The ISA Manager will ensure that any such conflict, or potential conflict, does not affect the transactions it carries out for the Investor in any material way. If the ISA Manager cannot manage a conflict, then it will inform the Investor of such conflict. The ISA Manager has established a Conflicts of Interest Policy which sets out the types of actual or potential conflicts of interest which affect its business and provides details of how these are managed in accordance with the paragraph. A copy of the Conflicts of Interest Policy is available upon request from the ISA Manager.

- 81.** Subject to the FCA Rules, the ISA Regulations and to other relevant changes in law, the ISA Manager may, in its absolute discretion, change these Terms from time to time where it has valid reason to do so. Investors will be notified in advance of any significant changes. If the Investor does not agree with the changes that the ISA Manager is proposing to make and would like to cancel their Slater Stocks and Shares ISA, the Investor may do so by writing to the ISA Manager and the ISA Manager will not charge the Investor for terminating in these circumstances.
- 82.** The ISA Manager is regulated by the FCA in the conduct of investment business, which includes the business of acting as ISA Manager. An Investor should send to the ISA Manager (marked for the attention of the Compliance Officer) any complaints he/she may have in relation to his/her ISA and its operation. ISA Holders have the right to complain directly to the Financial Ombudsman Service. Details of an Investor's rights in the event of the ISA Manager being unable to meet any of their liabilities to an Investor may be obtained from the ISA Manager's Compliance Officer.
- 83.** If an Investor carries out any transactions in his/her ISA through an Independent Financial Adviser (IFA), the ISA Manager will treat that IFA as the Investor's agent and may disclose full details of the ISA to any such agent and may accept instructions from any such agent in respect of the ISA.
- 84.** The General Data Protection Regulations (GDPR) provides protection to individuals by governing, amongst other things, the way in which personal data is held and used. Individuals are also afforded rights of access to such information held about them. The ISA Manager will process your personal data fairly and lawfully and will hold and protect your personal information in accordance with the principles of the provisions of data protection legislation. The Investor's personal data (including sensitive personal data) will only be used to process your application and to service your account.
- 85.** It may be necessary to provide your personal data by electronic or other means to third parties who perform tasks on behalf of the ISA Manager to help service your account. These parties may be based in countries outside of the European Economic Area. These countries may not have laws to protect your data equivalent to those in the UK. However, the ISA Manager will seek to make sure that any such third parties agree to treat your data with the same level of protection as if the ISA Manager was dealing with it.
- 86.** The Investor agrees that the ISA Manager may keep personal information which you or others have provided to it, and any information we know from managing your account or processing orders, on a database and use or disclose such information to carry out the functions described in these Terms and/or the Prospectus.
- 87.** The ISA Manager may disclose your personal details to HMRC to allow it to comply with legal obligations it has to report details of your account.
- 88.** To prevent and detect fraud, the ISA Manager may share your data with other organisations, including the police, and/or file your data with fraud prevention agencies and data bases.
